## Representative cases

### Dispute resolution

- In the case of an investment contract dispute between an investment management company and an electronic technology company, the two companies formed a large amount of debt during investment cooperation. The debtor, an electronic technology company, was a major shareholder of a listed company and held a large amount of restricted shares in the listed company. After accepting the entrustment of an investment management limited company, the agent successfully completed property preservation during the filing process, and the court sealed up a large amount of equity held by an electronic technology company in a listed company. After obtaining the successful judgment of the first and second instance of the case. During the period when an electronic technology company delayed the payment of its debts, the agent applied to the Beijing Intermediate People's Court for enforcement. Through efforts, the enforcement court sold some of the stocks that had been lifted, helping the client successfully recover all of its debts, such as the principal and interest of the huge debt
- Beijing Urban Construction Group Co., Ltd. and a real estate development company are in arrears with project payments. A real estate development company has been in arrears with Beijing Urban Construction Group Co., Ltd. for a long time. As an agent of Beijing Urban Construction Group Co., Ltd., it successfully helped Beijing Urban Construction Group Co., Ltd. recover part of its debt
- In the international arbitration case of a customer agreement dispute between International Business Machine Engineering Technology Co., Ltd. (IBM) and a technology limited company, International Business Machine Engineering Technology Co., Ltd. (IBM) filed an arbitration request with the China International Trade Arbitration Commission, requiring a technology limited company to pay the full project payment in accordance with the customer agreement. The agent successfully persuaded the arbitration tribunal to reject the arbitration request of IBM through multiple court hearings
- Acting as an agent in the case of equity confirmation dispute between Xie (Taiwan) and Jiang (Beijing), a tea industry limited company, successfully facilitated the court to investigate and obtain evidence favorable to the client 20 years ago
- Acting as an agent in the financial loan contract dispute between Great Wall Guorong Investment Management Co., Ltd. and Foshan

Zhongji Investment Co., Ltd. (a major shareholder of a listed company), Chen, Tian, and Chengdu Branch of Great Wall West China Bank Co., Ltd. After accepting the entrustment, the agent successfully assisted the client in obtaining a comprehensive winning judgment through multiple court hearings and efforts

- Acting as an agent for 14 owners of a residential area in Beijing in a dispute and lawsuit against Yang and a company over the execution of the property they purchased, and achieving good results, leading to the implementation of the court's lifting of all measures to seal up the property involved
- In the case of a dispute over a housing lease contract between Beijing Dongfang Xinshun Commerce and Trade Co., Ltd. and the Beijing Shijingshan District Garden Bureau, the agent accepted the entrustment and successfully persuaded the Beijing First Intermediate People's Court to rescind the first instance judgment and reject all litigation requests from the Beijing Shijingshan District Garden Bureau through the second instance process
- Acting as an agent for 22 people including Cui to sue Rongsheng Holdings Co., Ltd. and other directional debt investment disputes, and obtained a successful judgment

- Provide legal services for the fund manager filing and related information change filing of funds invested by China Financial Holding Investment Management Co., Ltd., and successfully assist the client in completing the fund manager related filing work

### **Restructuring of state-owned enterprises**

- Provide special legal services for the dissolution and liquidation of Beijing National Telecom Advertising Co., Ltd. and Beijing Guoxin Telecom Technology Service Co., Ltd. Beijing National Telecom Advertising Co., Ltd. and Beijing Guoxin Telecom Technology Service Co., Ltd. are subsidiaries of China Telecom Group. According to the group's business development arrangements, the two companies were deregistered and liquidated. As a project consultant, I designed a liquidation plan, drafted, reviewed, and revised various legal documents during the liquidation process, communicated and coordinated with the responsible departments of the Group and other intermediaries, and finally completed the liquidation work of the two companies on schedule
- Provide special legal services for Beijing Urban Construction Group to transfer the equity of a construction engineering company. A construction engineering company is a holding subsidiary of Beijing Urban Construction Group. According to the arrangement of the group and the government, Beijing Urban Construction Group completed the transaction by listing and transferring its equity in the Beijing Equity

Exchange. As a project consultant, I was responsible for drafting all legal documents for the project, participating in the negotiations during the restructuring process, controlling the prevention of legal risks during the transaction process, and finally helping Beijing Urban Construction Group successfully exit

## **Stock right**

- Provide special legal services for a state-owned holding investment company to acquire the equity of an iron ore company in Peru. As a project consultant, I drafted and reviewed relevant contracts and other legal documents for the company, and provided relevant legal opinions on the acquisition behavior to assess the acquisition risk and design relevant plans
- Provide legal services for the transfer of equity between shareholders of a technology limited company and the introduction of investment in a Japanese investment limited company. The client is a high-tech enterprise, belonging to the Internet of Things industry strongly encouraged and supported by the state. The company's shareholders want to introduce a famous PE Japanese investment consortium. Participate in the negotiation and signing of the project as a project consultant
- Provide special legal services for Great Wall Asset Management Co., Ltd. to invest in the equity of a leading real estate enterprise in a province

## **Marriage and family affairs**

- Song (the woman) obtained Canadian citizenship and lived in Canada for a long time. Luo worked for a domestic and foreign company. Luo filed a divorce lawsuit and successfully helped her obtain a successful mediation letter on behalf of the woman, helping her obtain two domestic properties and a foreign villa
- Zhang (male) and Sun (female) are college classmates. Before marriage, the male and female jointly contributed to the purchase of a house property in Beijing and registered it in the name of the female. Some of the loans were repaid jointly after marriage. After marriage, due to the interference of the female's parents, the property was sold under the leadership of the female, and the entire house payment was controlled in their own hands. The two sides separated, and took the initiative to file a lawsuit on behalf of the male, passing the procedures of first and second instance (changing the judgment), Successfully helped the man obtain nearly half of the sale price of Beijing real estate purchased and registered in the woman's name before marriage
- Both parties are members of the Writers' Association, and Lu (the man) is an entrepreneur. On the day of their marriage, Lu and Sun purchased a luxury home in Beijing. Half a year later, the woman filed for divorce and responded to the lawsuit on behalf of the man. Finally, they successfully helped the man keep the luxury home
- Zhao (male) and Lu (female) started from scratch and are the actual controllers of an A-share listed company. The male has committed acts such as domestic violence and infidelity. The female proposes a divorce and provides her with plans and opinions during the divorce process
- Divorce disputes among executives of a well-known technology company listed in Hong Kong, providing solutions and opinions during the divorce process for the woman
- A celebrity and his wife are both senior officials, and in case of a dispute over the inheritance of their children after their death, they act as one of their children
- Acting for a fashionable person in a family succession dispute case
