Work experience

Lawyer Wu Xiaohui is mainly engaged in litigation and legal business, including the handling of criminal and civil cross cases in the economic field, criminal case defense (including criminal compliance legal services), and civil and commercial case litigation and arbitration.

Lawyer Wu Xiaohui has a solid legal background and rich experience in handling cases in the field of litigation business. Successfully represented multiple cross criminal and civil cases in the economic field, and through sorting out and studying complex legal relationships, found a breakthrough for dispute resolution or avoided improper legal accountability of the parties. In the defense of criminal cases, he has acted as the first defender of organizations and leaders in several major tax related crimes, crimes of illegally absorbing public deposits, crimes of misappropriating funds, crimes of contract fraud, crimes of illegal business operations, and other criminal cases in the economic field. Through effective defense, he has ensured the litigants' litigation rights to the maximum extent, and obtained a lighter punishment or exemption from prosecution; Provide criminal compliance legal services to strengthen the prevention of criminal legal risks for enterprises and entrepreneurs; Based on the accumulation of professional knowledge and resources in the overseas legal field, we continue to explore new modes of foreign-related legal services such as cross-border investigation and asset recovery. In civil and commercial litigation and arbitration, he has successfully represented multiple corporate investment disputes, equity disputes, contract disputes, and other cases, recovering huge economic losses for the parties.
