Work experience

1、 Financial litigation business mainly engaged in

Since 2000, I have provided team support for bank personal loan business, drafted contracts for banks, and handled various loan businesses. So far, he has acted as an agent in many cases involving banks and asset management companies. Successful cases include obtaining a second instance court's ruling to support all of the bank's litigation claims under adverse circumstances where the bank was judged unsuccessful in the first instance, and the Supreme People's Court rejecting the other party's request for retrial; There is a single trust channel business through a trust company, and lawyers have worked hard to solve problems such as undisturbed distribution, mortgage priority recipients, and have been recognized by the court; There are lawsuits to clear mortgage rights, and the legal rights and interests of the bank have been safeguarded by lawyers; wait.

2、 Main corporate businesses

When serving as a legal advisor to a listed company, I participated in the resumption of trading of a limited liability company and issued a legal opinion, successfully assisting the company in its resumption of trading and listing.

Assisted a real estate consulting unit in representing the construction contract dispute case, and applied to the Jiangsu Provincial High People's Court for retrial to obtain support under the severe situation that both the first and second trials were fully unsuccessful.

3、 Mainly engaged in bankruptcy liquidation and reorganization business

As the person in charge, Mr. Hu Yijin led and executed the compulsory liquidation and bankruptcy liquidation of dozens of enterprises, including Nanjing Wanhui New Material Technology Co., Ltd., Nanjing Wanrun Cold Formed Steel Co., Ltd., Nanjing Wanze Precision Metal Manufacturing Co., Ltd., and Nanjing Pacific Magnetic Technology Co., Ltd. Among them, two cases of reorganization were successfully conducted (including one case of merger, bankruptcy, and reorganization).
