Work experience

Lawyer Qin Xiaoyan is mainly engaged in legal services in the field of real estate and corporate investment, mergers and acquisitions.

Over 15 years of experience. Mainly responsible for corporate compliance management and investment plan planning, with a profound understanding of the business management operation and specific legal needs of the enterprise. In the field of real estate and corporate investment, mergers and acquisitions, I have strong professional attainments, rich practical experience, and sufficient theoretical research. He has provided legal advisory services to dozens of real estate projects across the country for central, state-owned, and large private enterprises, especially in the field of real estate mergers and acquisitions. He has a deep understanding of the commercial needs of the real estate industry, and has a deep understanding of various legal issues in this field. He is particularly adept at balancing the interests of all parties and promoting transaction transactions with unique design capabilities, And maximize corporate benefits through tax planning in transaction design. Therefore, it is highly praised by customers and various stakeholders. During his career as a lawyer, he has served as a perennial legal adviser for multiple real estate projects, and has repeatedly participated in, presided over, or participated in the complex legal affairs processing and transaction scheme design of uncompleted residential buildings in real estate. He has had experience in successfully transforming four uncompleted residential buildings into mature development projects.
