Areas of practices

Civil and Commercial Dispute Resolution, Intellectual Property, Corporation Compliance,

Work experience

Associate Zhou Xueting has been practicing law for 18 years, and his main business areas are anti-unfair competition, protection of trade secrets, transformation of scientific and technological achievements, securitization of intellectual property rights, and financial litigation disputes, etc.

Educational background

Graduated from Peking University Law School with undergraduate and postgraduate degrees. Currently studying for a Ph.D. in finance at the Chinese Academy of Fiscal Sciences

Work experience

From 2003 to 2006—Beijing Zhengping Law Firm.

From 2006 to 2008,—Beijing Yizhong Law Firm.

In October 2008, as a founding partner, he joined Beijing Zhengxin Law Firm, and then served as the director and founding partner of the law firm, responsible for the daily management of the law firm. In 2018, he established the Technology Legal Affairs Department (including intellectual property rights), and achieved good results. Lawyer Zhou Xueting has actively participated in social activities and held social positions during his practice, and has represented many typical cases. In the process of legal practice, he paid attention to theoretical study and published many interdisciplinary papers on law and economics.
