Work experience

Lawyer Qian Ya has nearly ten years of practice experience in the fields of arbitration, litigation, and compliance, with qualifications for fund industry. He has long focused on dispute resolution in civil and commercial cases, handling a large number of litigation and arbitration disputes in Beijing and across the country, including various economic contracts, equity investments, real estate and engineering construction, corporate governance, entrusted loans, technology development and cooperation, equity transfer, Sino foreign joint ventures, and civil and criminal cross disciplinary disputes. He also maximizes client interests in the full process of preservation, litigation, enforcement, and bankruptcy. Since entering the industry, Lawyer Qian has provided comprehensive legal services to dozens of financial institutions, state-owned enterprises, and private enterprises in courts and arbitration committees at all levels across the country. He has handled hundreds of litigation and arbitration cases, and has represented clients in dozens of major business and dispute consultations and negotiations. Lawyer Qian has a profound understanding of the overall operation and business thinking of enterprises. For clients' daily business operations, Lawyer Qian can provide professional advice based on business characteristics, regulatory regulations, and typical cases, while meeting the needs of risk control and isolation for clients to achieve business implementation.

Lawyer Qian's main clients include CNOOC, China Railway Construction, AVIC Aviation, Minsheng Trust, Bank of China, Bank of Communications Wealth Management Subsidiary, Haohao Capital, NetEase Music, Tianjiu Enterprise Service, Weimeng Media, Haote Biotechnology, Kanglong Pharmaceutical, etc.
