

Cross Border Investment

CROSS BORDER INVESTMENT

Gaopeng has acted as legal counsel for many large state owned enterprises, private enterprises, and publicly listed companies. Gaopeng also works with funds and financial institutions on overseas investment, financing, and cooperation projects such as FDIs, mergers and acquisitions, and engineering contracting. We also assist clients in the acquisition of overseas resources, technologies, brands, and markets as well as in the implementation of their global strategies.

We have extensive experience in developed markets such as Europe, North America and Australia, countries of the Belt and Road Initiative (BRI) and emerging markets such as Africa and Latin America. With an extensive understanding of the needs of Chinese enterprises, the domestic and international legal and regulatory environment and international business practices, Gaopeng lawyers are able to provide effective solutions for Chinese enterprises to go global. Gaopeng has amassed a wealth of practical experience in dealing with offshore investment and thus has a thorough understanding of potential risks and legal issues. Our project experience covers a wide range of sectors including mineral resources, energy, manufacturing, technology, consumer goods, infrastructure, and services.

Our team is also experienced in organising and managing cross-border transactions. With a global network of offices, we can advise on PRC law, English law, German law, Italian law, EU competition law and Australian law. We have also established close relations with top law firms in a number of countries and regions, which enables us to provide effective solutions and international professional services for our Chinese clients.

Our services provided in cross border investment area include:

- Assisting international investors and multinational companies in establishing entities in various countries; Assisting these companies in corporate financing, IPO, Restructuring, M&A.
- Conducting Due Diligence work and drafting relevant legal files.
- Participating in design of the project frame, project negotiation, and providing legal opinion.
